

Hazel the Cloud

by the Dalkner Family

This is Hazel.
She is a cloud.

Hazel feels sad.

When she cries, it rains.

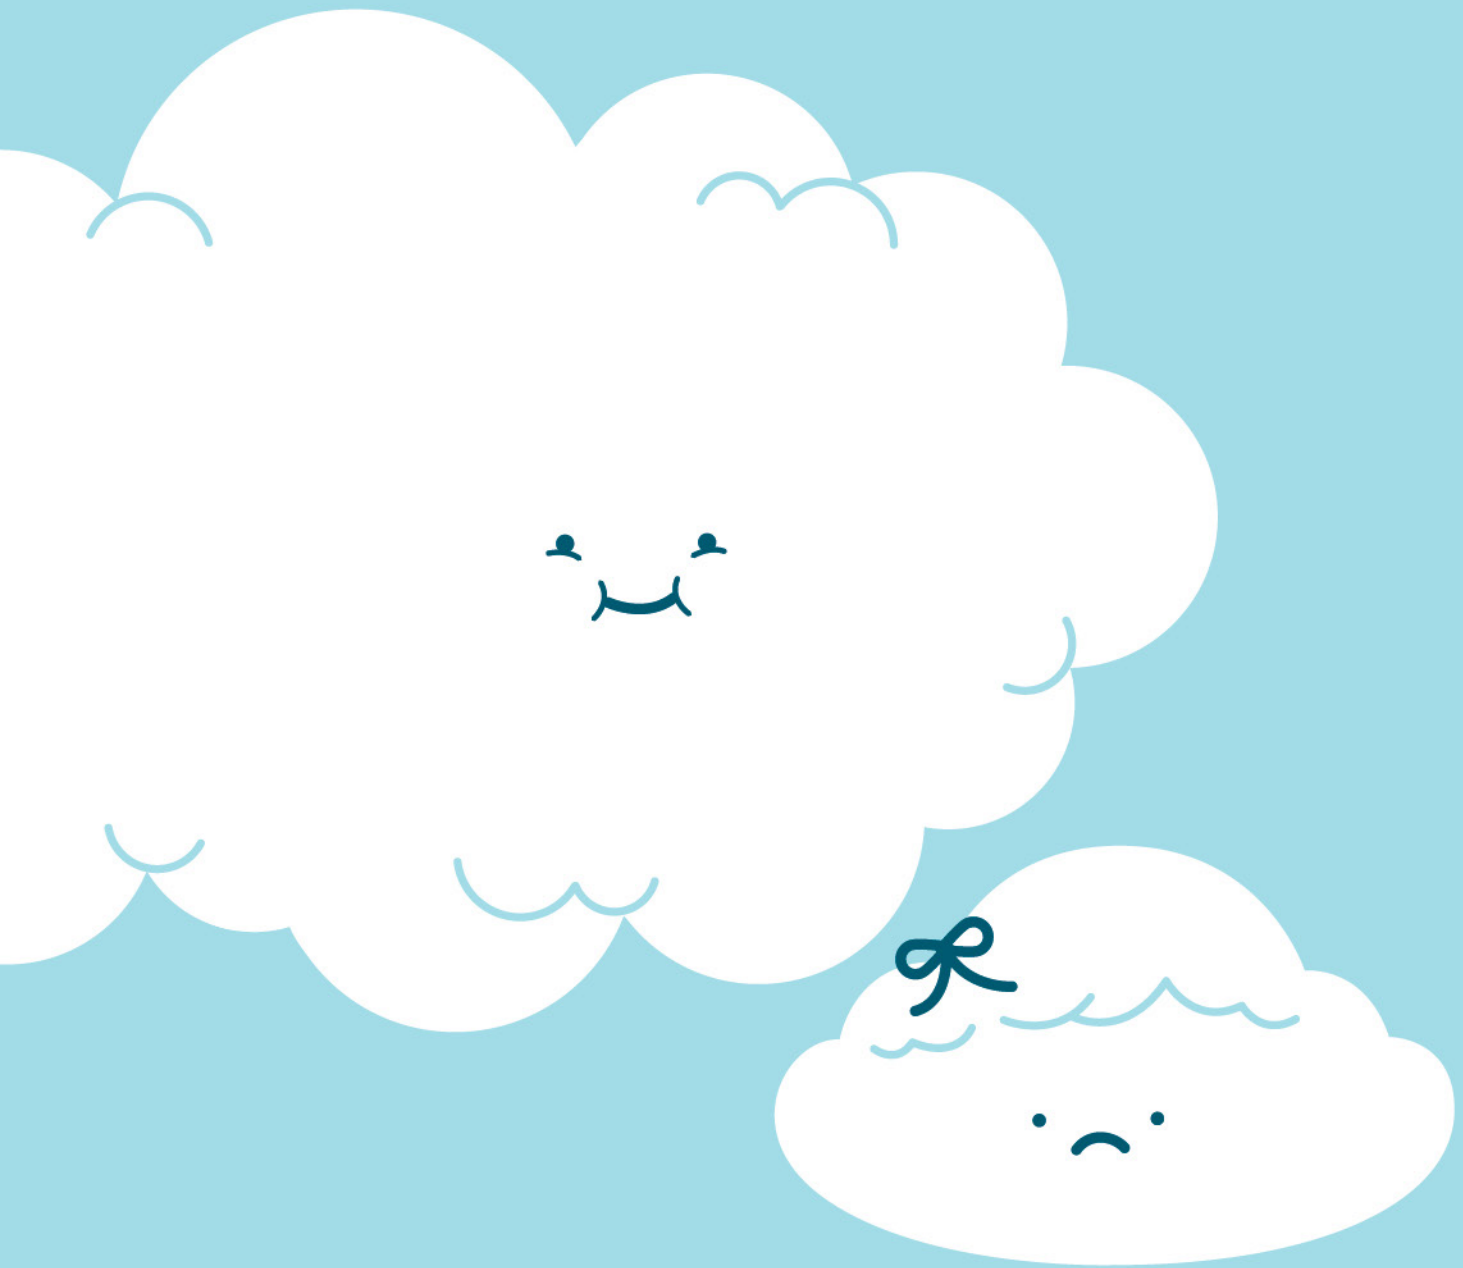

Sometimes, she doesn't
feel special.

She's not the biggest.

She's not the brightest.

She's not the fluffiest.

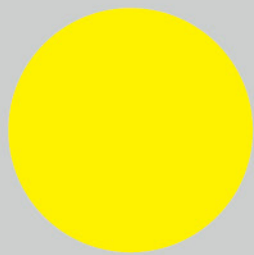

She can't make lightning.

Other clouds aren't helpful.

Hazel gets sad again.

Her rain makes flowers grow.

Seeing flowers grow
makes Hazel happy.

Hazel realizes that's
pretty special.

This is also Hazel.
She's a person.

Hazel, meet Hazel.

Hazel floats low.

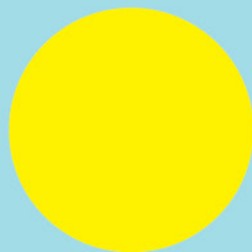

Hazel jumps high.

Together,
they zoom!

Together can be special.

You never know where you can go
together.
